

★ A Party for Tara Lopez ★

Over fifty family members and guests attended a reception at the Morris Plains Museum in honor of Tara Lopez. Tara is the 2010 recipient of the Helen H. Schnack Scholarship presented annually to a Morristown High School graduate by the Morris Plains Museum Association. The award is in memory of Helen Schnack who was a dedicated and generous member of the Association. The qualifications for the scholarship are: resident of Morris Plains, academic excellence, involvement in extracurricular activities, and a genuine interest in history. At the reception, Tara was given a bouquet of flowers and her name was placed on the Scholarship plaque. The guests were served light refreshments and had a guided tour of the museum. Tara is the daughter of Mary Sharon and Ralph Lopez. She will continue her education at Loyola University in September. ★
